

A LENTEN PRAYER

Leader: O Jesus, led by the Spirit into temptation's wilderness, you teach us to turn our backs on the wrong ways of the world, so we can follow you.

People: Walk with us, Lord Jesus.

Leader: O Jesus, Wellspring of wonder, you let go of your glory, so you might hold our shattered hearts.

People: Comfort us, Lord Jesus.

Leader: O Jesus, grace-full and truth-full, you empty yourself becoming the bread, which makes us whole; you are living water, which bursts the banks of our faded dreams.

People: Fill us, Lord Jesus.

Leader: O Jesus, the One who shatters death's grip, into our despair, you bring hope; into our fear, you come with peace; in our loneliness, you become our brother.

People: Save us, Lord Jesus.

Leader: Jesus Christ, lamb of God,

People: have mercy on us.

Leader: Jesus Christ, Mercy of God,

People: pour out your grace on us.

Leader: Jesus Christ, gift of salvation,

People: grant us your peace.

Leader: Seeking to do your will and share your truth, we journey together in this Lenten season, grateful for God's grace given for our lives. **Amen.**
