

## **Meal Ministry**

In March, the Discovering the Possibilities team began an exciting new ministry. We identified approximately 15 elderly community members, not associated with LUMC, who are not able to attend the senior meals offered at the MTM Center. Many have medical issues, a few have held public offices in Lisbon for years, all could use some love and assurance that they are not alone.

The meal ministry began with the delivery of a bag containing a can of soup, crackers, fruit and cookies to some very appreciative folks. Each meal included a handwritten note from Pastor Elizabeth. Twice a month, our team members and volunteers deliver a light meal and visit a bit with their “neighbor.” It’s heartwarming to see the smiles this simple gesture brings to these beloved Lisbon citizens.

If you have any questions, would like to be part of this exciting new ministry, or know someone who would benefit from this ministry, please contact Trudy Duval or Pastor Elizabeth. We’d love to see this ministry grow.
