

A Prayer for the Easter Season

Leader: O Jesus, you invite us to turn our backs on the wrong ways of the world as you did on that first Easter morning, so we can follow you.

People: Walk with us, Lord Jesus.

Leader: O Jesus, Wellspring of wonder, you let go of your glory, so you might hold our shattered hearts.

People: Comfort us, Lord Jesus.

Leader: O Jesus, grace-full and truth-full, you emptied yourself becoming the bread, which makes us whole; you are living water, which bursts the banks of our faded dreams.

People: Fill us, Lord Jesus.

Leader: O Jesus, you who shattered death's grip, into our despair, you bring hope; into our fear, you come with peace; in our loneliness, you become our brother.

People: Save us, Lord Jesus.

Leader: Jesus Christ, Lamb of God, Mercy of God,

People: pour out your grace on us.

Leader: Jesus Christ, gift of salvation,

People: grant us your peace, we pray.

Leader: Seeking to answer your invitation and share your truth, we journey together in this Easter season, seeking to follow Jesus into the wonder of your Kingdom. Now we pray as our Risen Savior has taught us.....
